Glow in the Dark Fur Coats Help You Find Your Way in da Club

Written by Chip Chick March 29th, 2007 in Fashion & Jewelry

Here is an instance where fashion meets [technology](#) in a way that you'll either love or hate. GlowFur [fashion](#) apparel is made up of faux fur with special internal lighting technology. Perfect for those who want to be noticed in the club

scene, GlowFur is available as Long [coats](#), 3/4 coats, sweaters, Bolero's, Jackets, Vests, as [leggings](#), and our favorite - a top & bottom set. To give you an idea for the pricing, the [sweaters](#) retail for \$95 and a long coat will cost you \$975. But the look on their face when you show up wearing a GlowFur [jacket](#)? Priceless. (Thanks, Katherine at [KMR Communications](#))
