

GlowFur light-bright faux coats

Oh baby, you'll look so fine in a [GlowFur coat](#). Intended for the rave crowd, GlowFur is faux fur embedded with lights that'll make you more brilliant than a disco ball. Shown here is the bolero, but it comes in lengths up to ankle-trenchcoat, allowing you to really freak out your drugged-out buddies as you emerge dramatically from the fog with your enormous hound. Starting at \$99 for a [sweater](#) and ranging up to \$975 for a [full length coat](#). [GT]
